

LIFE'S OPTIONS

PREGNANCY CENTER

Who We Are

Life's Options Pregnancy Center has helped women and families with a pregnancy decision with hope, help, and provision for the past 30 years.

We are a safe resource for life-changing decisions and with your support, we can offer these free services:

- Confidential Sonograms and Pregnancy Tests
- Peer Counseling and Support
- Post Abortion Support
- Parenting and Life-Skills Classes
- Practical Help/Diapers/Clothes

The name Life's Options came about through much prayer and an intentional focus group of community members and staff. We offer "Life's Options" to anyone in need. These range from options for a pregnancy decision to options to choose healthy relationships. No matter what their mindset is when walking in the door we hope that the love and support we shine into their lives draw them closer to abundant life and they feel God's love.

Life's Options Mission Statement

We exist to provide life-affirming support before and after a pregnancy decision.

Life's Options Mission

We offer support to the family during pregnancy and after the birth of the baby. We provide post-abortion counseling to women and men. We teach the benefits of healthy relationships to unmarried youth and young adults.

We are a pro-life organization, but give everyone honest, open, and direct information about all alternatives from adoption, parenting, as well as the risks involved with abortion. We promise unconditional support no matter which option they choose.

We believe relationships are an important foundation to bring truth and wisdom to everyone that comes in our doors.

We partner with ECHO, MRC, and the Salvation Army to meet the additional needs of our clients that go beyond the scope of Life's Options.

Our Impact on Evergreen

As part of the ministry, Kids Closet provides much-needed material resources to our families as well as a revenue stream. The Kids Closet is also a great resource for community awareness and sharing our mission with others. It supports families in our community as well as a low-income place to shop for the baby and children's needs. Our goal is for Kids Closet to be a self-sufficient shop where income and expenses match.

We Need YOU

Our expected 2021 budget is \$150,000. We are excited to have a \$7,500 matching gift dedicated to the Gift of Hope! Now we need partners like you to help us reach that goal with a one-time contribution or through a monthly pledge.

One specific need we have is to use an online curriculum for client services. The cost of this curriculum is \$1,200 a year. It will allow our client services director to use an internet-based curriculum for course material and meeting either in person or virtually to create better connections and impact.

Looking Forward to 2021

We are restructuring staff to better meet the services provided by Life's Options Pregnancy Center and will be hiring a new director in 2021. Our mission remains strong, "to provide life-affirming support to women before and after a pregnancy decision."

Donate Today

Our goal is to raise \$50,000 through the virtual Gift of Hope fundraiser this year. Will you partner with us in accomplishing this goal?
